

WORK ETHIC | RESILIENCE | INNOVATION | IMPROVEMENT

iPADS FOR LEARNING USER AGREEMENT

In signing up to the iPads for Learning scheme you agree to all of the below, and understand the consequences of breaking the agreement. iPads CANNOT be used in school without signing agreement to the conditions set out below.

- 1. I agree to using the iPad responsibly in the following ways:**
 - 1.1.** I will only use the iPad for learning activities when in lessons. If I misuse the iPad in a lesson, I will receive a code and may have the iPad confiscated.
 - 1.2.** I will do as a member of staff says if asked to turn the iPad face down or stop using it.
 - 1.3.** I will leave enough memory free for school use.
 - 1.4.** **I will bring the iPad to school every day, fully charged and in a protective case of an agreed type.**
 - 1.5.** I will allow a member of staff to check the contents of the iPad if asked and I will give them my Passcode. I understand that if I don't do this, or if any content is inappropriate, the iPad will be confiscated.
 - 1.6.** I will look after the iPad, being careful to avoid damage or loss through carelessness by leaving it unattended or by leaving it on the ground or near liquids and will not remove it from the protective case as this will invalidate the insurance.
 - 1.7.** I understand that, even though my parent(s) are making regular contributions to the school, the iPad remains the property of the school until the final instalment is made at the end of the scheme.
 - 1.8.** I will update apps and iOS (the iPad's operating system) when notified by my iPad.
 - 1.9.** I will back up the iPad regularly to the iCloud and key documents to the school network, using the Foldr app.
 - 1.10.** I will ask people's permission before taking a photo, video or audio of them and even with their permission, will not upload it to the public internet (using apps such as Facebook, Twitter, Instagram, Snapchat, Tik Tok etc).
 - 1.11.** I will tell the school IT staff within 24 hours if the iPad is lost, stolen or broken.
 - 1.12.** I will not use the iPad whilst walking to/from school or travelling on public transport. This is to keep me safe and so that no one tries to take it from me. If threatened, I will hand the iPad over without argument, then report the incident as soon as possible to the Police, my parents and the school.
- 2. The following are examples of serious issues that will not be accepted:**
 - 2.1.** Any form of bullying, intimidation or nastiness towards others involving the iPad including other students and staff.
 - 2.2.** Tampering with the iPad's operating system as this will invalidate any warranty and insurance.
 - 2.3.** Removing the Blenheim management profile, attempting to bypass restrictions or internet filtering (including using a VPN).
 - 2.4.** Accessing inappropriate content, e.g. violent, sexual or criminal material.
 - 2.5.** Disrupting my own or others' learning through the use of the iPad.
 - 2.6.** Deliberately damaging an iPad, whether my own or someone else's.
 - 2.7.** Taking photos of staff members or students without their permission.
- 3. The following are examples of consequences that will occur if the agreement is not complied with:**
 - 3.1.** Confiscation of the iPad for the remainder of the day or longer.
 - 3.2.** Removal of internet, camera, third-party apps or any other iPad feature for a fixed period.
 - 3.3.** Meeting with a parent)
 - 3.4.** In the case of repeated serious issues, no longer being permitted to bring an iPad into school.
- 4. I/We as parent(s) agree to the following:**
 - 4.1.** To do everything reasonably possible to ensure that all of the above rules are followed.
 - 4.2.** I/We understand that the iPad may be confiscated or restricted if it is being misused.
- 5. I/We as parent(s) agree to the following:**
 - 5.1.** To make the monthly instalments for the entire period of the scheme for my child to use the iPad in ways as described in Clause 1. These instalments should be made by Direct Debit. Contact Edutech for Direct Debit

queries by completing the online parent enquiry form https://edutech.zone/parent_enquiries/ or emailing support@edutech.zone. If any contributions due are not received, then the school reserves the right to collect the outstanding contributions using all available options.

6. At the end of the scheme, I/We understand that:

6.1. I/We will own the device providing all instalments have been made to the school throughout the scheme.

7. If my child leaves the school before the end of the scheme, I will have the options to either:

7.1. Return the iPad, charger, cable and protective case to the school before or on the students last day at Blenheim High School or;

7.2. Settle the balance of the total amount due on the account by the child's last day at the school (please contact ipadsforlearning@blenheim.surrey.sch.uk to arrange this) in order for full ownership to transfer to the parent.

7.3. If I choose to obtain full ownership of the iPad and am entitled to a concession as previously notified to me by the school, I will be required to complete the standard monthly contribution for the remaining months. The concession will NOT apply for the remaining outstanding balance to secure ownership of the device.

7.4. I understand it is my responsibility to inform the school 5 working days in advance of my decision to remove my child from the school.

7.5. I will ensure that either full contribution or the returned device are received in school before my child's final day.

8. iPad ownership:

8.1. The iPad remains the property of the school subject to Clauses 7.2 or 7.3.

8.2. If the iPad is not returned and Clause 7.2 does not apply to you, then the school reserves the right to collect the outstanding contributions using all available options.

9. iPad insurance:

9.1. All warranty and insurance claims are made through the link on the Blenheim website <https://www.blenheim.surrey.sch.uk/>. Click on Menu, then School Life, then iPads for Learning scheme, then scroll down to Insurance and Warranty Claims. The student computer login details will be required to log a claim.

9.2. All warranty and insurance claims must be made within 7 days of the damage, or failure, including in holiday time, or the parent may be liable for the outstanding balance. Please email ipadsforlearning@blenheim.surrey.sch.uk in this instance. Out of term times, claims may be submitted, but the claim will not be processed until the term starts again.

9.3. Insurance does not cover loss or theft. The insurance and warranty guide and T&C's are detailed on the portal at sign up under 'Device Cover'. By signing up on the portal you are agreeing to these terms.

9.4. The number of claims is limited to the cost of the iPad. Please see your policy for excess details (viewed and emailed at sign up)

9.5. The school reserves the right to remove a student from the iPads for Learning scheme if it feels that damage was due to carelessness rather than an accident.

9.6. The school is unable to make any insurance claims on an iPad once the insurance package has expired. This runs for the length of the iPads for Learning Scheme.
