BET iPad School Use Agreement

Technology can enhance learning and the enjoyment of learning. The availability of digital devices and tools gives you choice over how you learn, access to high quality support and extends learning beyond the classroom. iPads allow you to access your work and learning wherever you are. They are provided so you can complete learning activities such as research, production of content and communication with others.

Access to devices and the Internet is a privilege, not a right and access requires responsibility. Every student should take all reasonable steps to make sure they follow the conditions set out in this agreement and use their iPads in an acceptable manner. Failure to follow the conditions set out in this agreement could lead to sanctions, which may include confiscation of the iPad and parental contact being made.

Please read this agreement with your child and by placing an order on the iPad portal:

- your child has agreed to use the iPad in a responsible way and observe all the conditions explained in this agreement. If they do not follow the rules, they understand that this may result in loss of access to the school network as well as other disciplinary action. They realise that students under reasonable suspicion of misuse may have their iPad activity monitored or their past activity investigated.

- As the parent/legal guardian of the student, I give permission for my child to use an iPad whilst at school. I understand that pupils will be held accountable for their own actions. I understand the school reserves the right to apply monitoring arrangements to any student in relation to iPad use where misuse is suspected. I accept responsibility for setting standards for my son or daughter to follow when selecting, sharing and exploring information and media. I agree to report any misuse of the iPad to the school.

BET iPad School Use Agreement

As a student …

I agree to:

- bring my iPad and stylus to school fully charged every day
- treat my iPad with care, keep it in a clean condition and keep it in a protective case
- store and transport my iPad safely, in particular protecting the screen from damage and minimising the risk of theft
- only access my own iPad, using a passcode, which I will keep secret
- change my passcode and/or contact the school if I think someone has learnt my iPad passcode
- keep my iPad with me at all times during the day, or place it in a designated secure location
- backup my iPad to iCloud and I understand the school will not accept responsibility for loss of work in the event of the iPad malfunctioning
- **not** hotspot from a mobile phone onto an iPad whilst in school
- **not** use VPN software whilst in school
- **not** remove the MDM software from the iPad
- only use the iPad with the permission of a member of staff and for the purpose expressed by a member of staff
- **not** use the iPad in school for playing games, using social networks, or entertainment (e.g. watching a video on YouTube unrelated to your studies)
- keep bluetooth turned on and not reset my iPad during a lesson
- **not** place in the public domain (e.g. TikTok, YouTube etc.) any material recorded whilst in school and that the material is for my personal use only
- **not** place online (or give to anyone) information that can identify my address or telephone number or those of anyone else at the school

I understand that:

- during school hours, the iPad is managed by Jamf School Mobile Device Management (MDM). The MDM only allows the school to control and provision apps to the iPad and does not allow access to any content on the iPad
- during school hours filtering software runs on the iPad to help keep me safe online.
- staff may confiscate my iPad when in school if I use it inappropriately
- during a lesson a member of staff may lock my iPad or monitor my screen
- the recording of sound, video or still images will only be done with the permission of a member of staff. Recording another student or member of staff without permission will be treated extremely seriously
- iPads are not to be used during break and lunch times unless as part of an organised activity or club
