PanzerGlass

Covers the entire front surface of your device to provide a complete and clear view of your screen, while still leaving room for a case.

Compatible with pen - Use your stylus or digital pen as normal – you won't even know the screen protector is there.
Scratch resistant - Protects your device from scratching caused by the hazards of everyday life.

Shock resistant - Keeps your device safe from your everyday fumbling, dropping and screen cracking.
Easy installation - So easy to install you can do it even if you're all thumbs.
Longer lifespan - Extends the lifetime of your device, enabling you to enjoy it longer and give it to others when you no longer need it yourself.
100% touch sensitivity - Feels like the original screen with 100% touch sensitivity.
Platinum strength – stronger - One of our strongest glasses for those devices that you just can't live without.
Antibacterial - Proven to kill up to 99.99% of all common surface bacteria in accordance with ISO 22196 and JIS Z 2801.
Crystal-clear view - So clear that you might not even notice it's there, well, not until your device tumbles to the ground and your screen doesn't crack.
Fingerprint resistant - Repels oil and water, reducing traces of fingerprints as well as dirt, disinfectant gel and hand lotion.
